REGISTER FOR A FREE ACCOUNT

A registration form for Paraiba. The form includes fields for First Name *, Last Name *, Email *, Mobile, Street *, ZIP *, City *, Password *, and Username *. There is a checkbox for "Above 18" and another for "Accept the TaC". A prominent blue "SIGN UP" button is highlighted with a white circular magnifying glass. Below the form, there is a "Full Risk Disclosure" section with text that is partially obscured by the magnifying glass. The text includes: "Full Risk Disclosure: Investment contains substantial risk and is not for every investor. An investor could potentially lose all or more than the initial investment. Risk capital should be used for investment. Only risk capital should be used for investment. Only those with sufficient risk capital should invest in this investment. paraiba.world Already have bank service".

Welcome to Paraiba. Joining Paraiba is simple. First you can register for a free trial account. Remember all Paraiba accounts will get removed after 30 days if at least no deposit is made within 30 days of your joining.

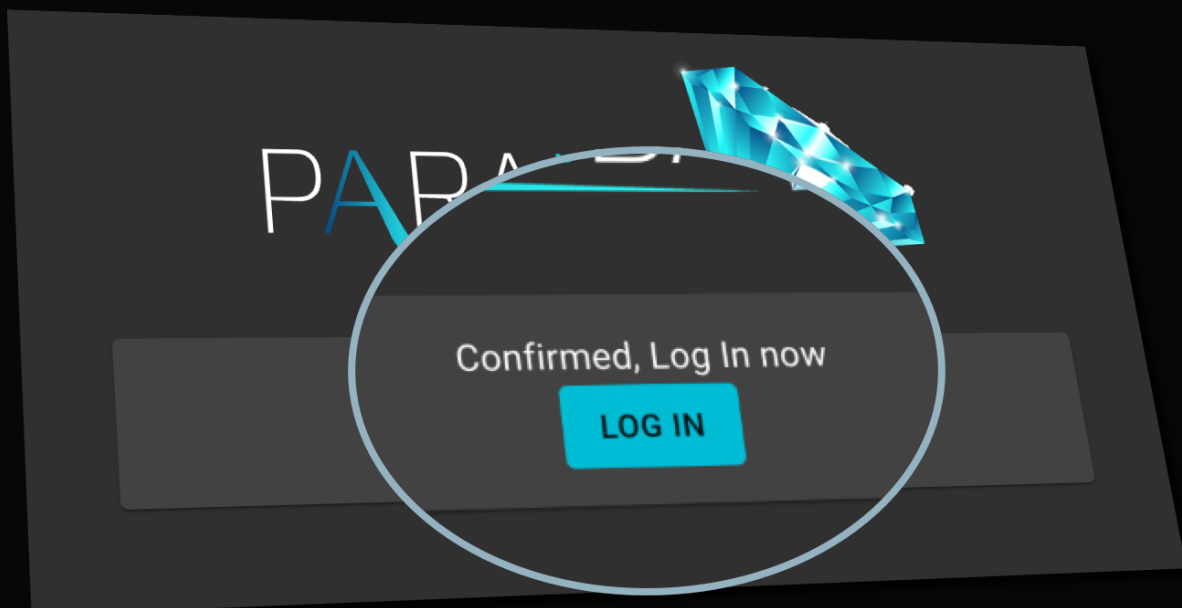

The minimum deposit is \$25 US but to earn from your own referrals you need to deposit at least \$100 US. There is another PDF guide that shows you how the comp plan works in detail. This guide is to show you how to deposit funds and how to get your money working for you so you can start to earn a passive income with Paraiba.

Email Confirmation

Make sure you check your email that comes and click the "Confirm Registration" link.

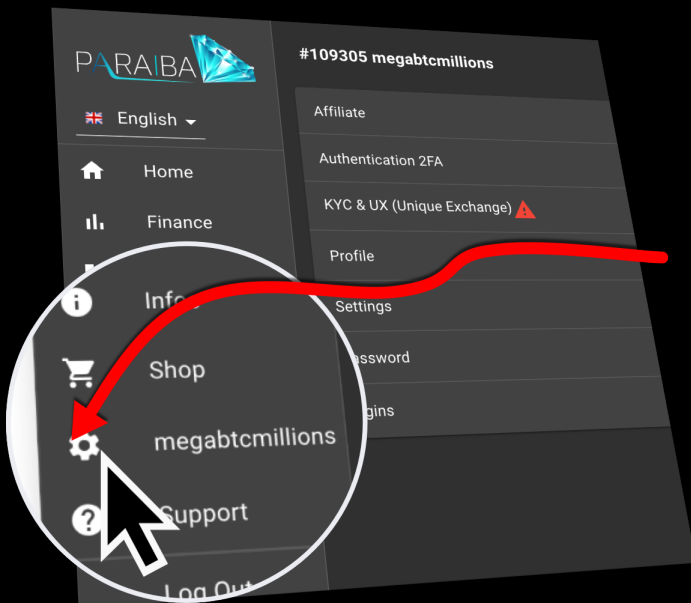

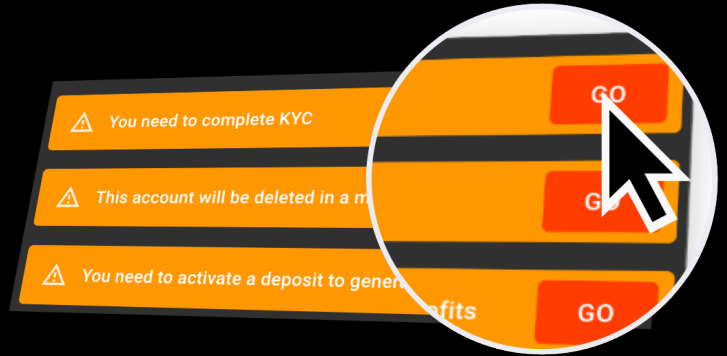

You will see a page like below with a message that says "Confirmed" Congratulations! You may now login using the Login ID you created at signup and the password you setup.

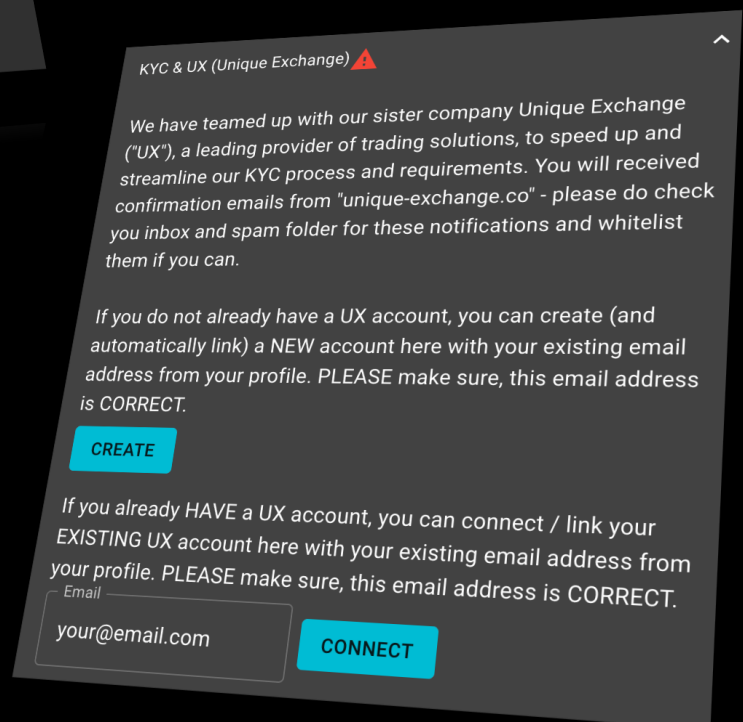

Setting up your Paraiba account

Next. KYC is only required when you're ready to withdraw, but it's a good idea to get these next 3 steps done. Make sure you make a deposit so that your account will not get deleted.

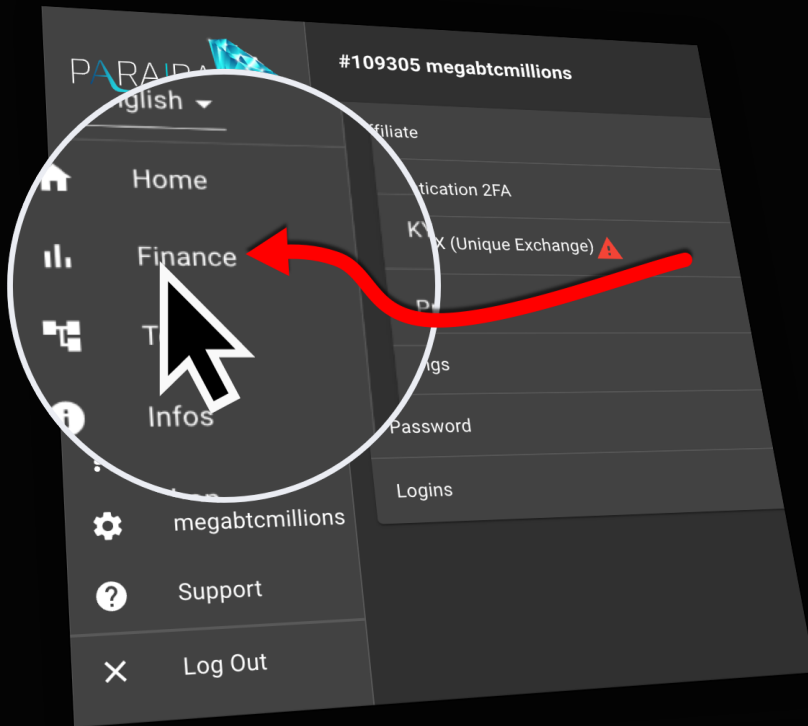

Click on your profile and get setup there by filling in your profile, KYC, Unique Exchange and the settings area. Also you will find your Affiliate link there too at the top.

Go through the KYC setup by following the onscreen instructions.

Deposit money into your account

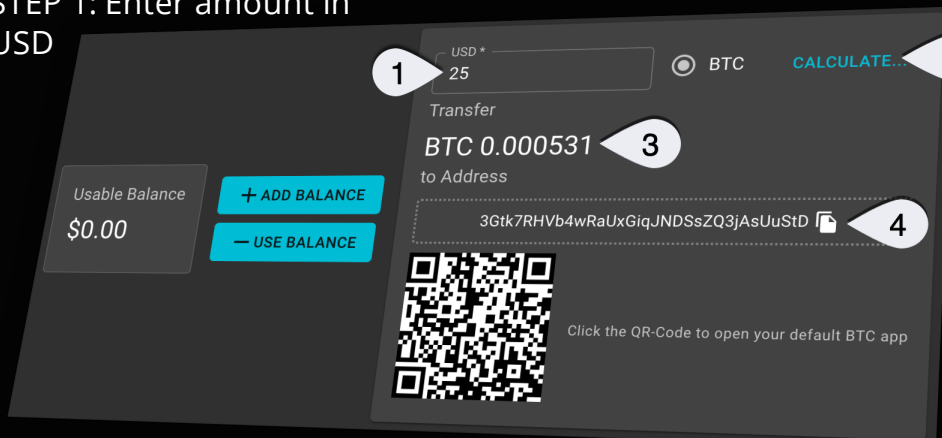

To deposit money into Paraiba you first click on "Finance" on the left menu. And have your bitcoin ready in your external Bitcoin wallet.

If you don't yet have a bitcoin wallet many members are using coinbase or xcoins to easily get money into their Paraiba account. We have many other easy options so please ask in the Facebook or Telegram group for help.

Click on "ADD BALANCE" And decide how much you'd like to add; minimum \$25 however at least \$100 minimum to be able to start referring people and earn commissions from your frontline.

STEP 1: Enter amount in USD

STEP 2: Click CALCULATE

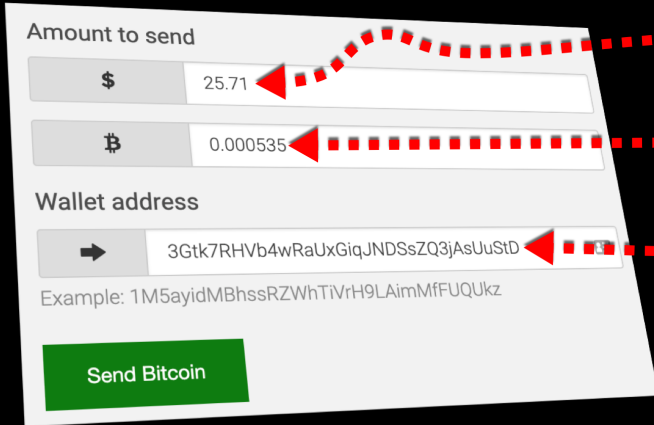

STEP 3: Copy the Bitcoin (BTC) amount and paste it into your external bitcoin wallet to send.

STEP 4: Copy the Bitcoin (BTC) address and paste it into your external bitcoin wallet to send.

Deposit money into your account

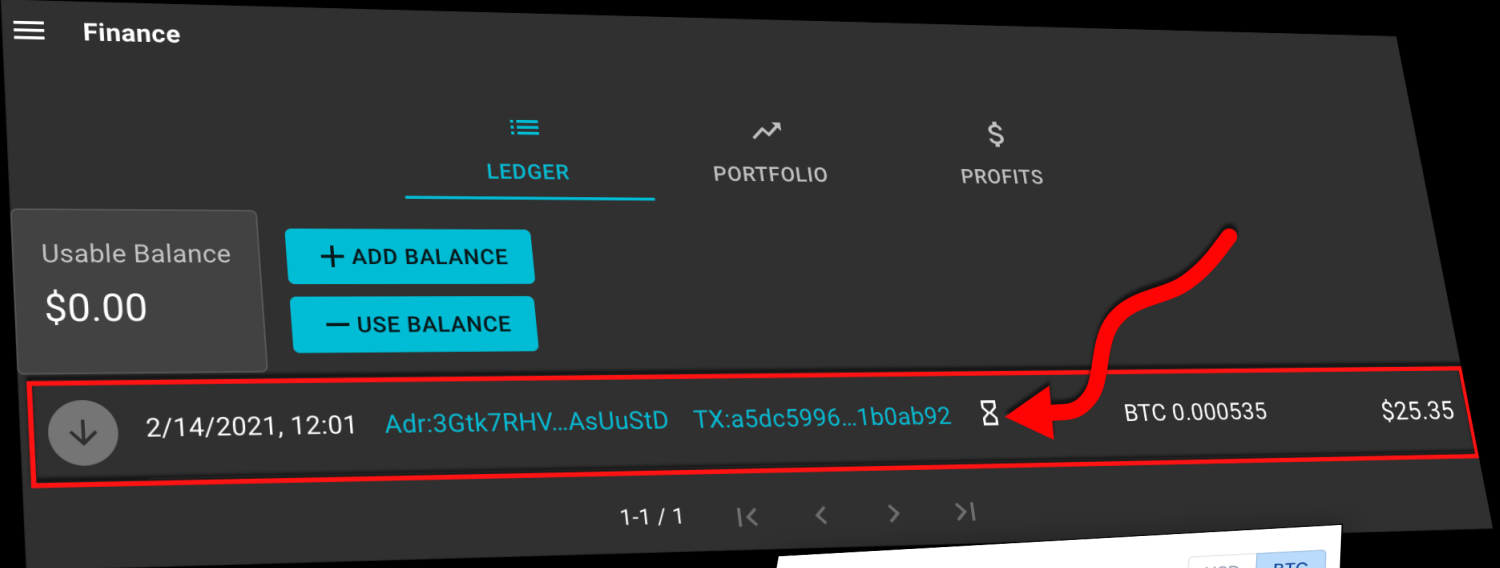

Any external wallet:

Paraiba Backoffice:

Make sure you send the exact amount of bitcoin or a bit more to be sure to cover any blockchain fees or your wallet fees etc.

Copy the BTC amount from Paraiba to your wallet and send from your wallet over to Paraiba.

You will see a pending transaction under your Finance area under ledger. If you click the link you will see the progress of your transaction on the Blockchain. It can sometimes take many hours to complete.

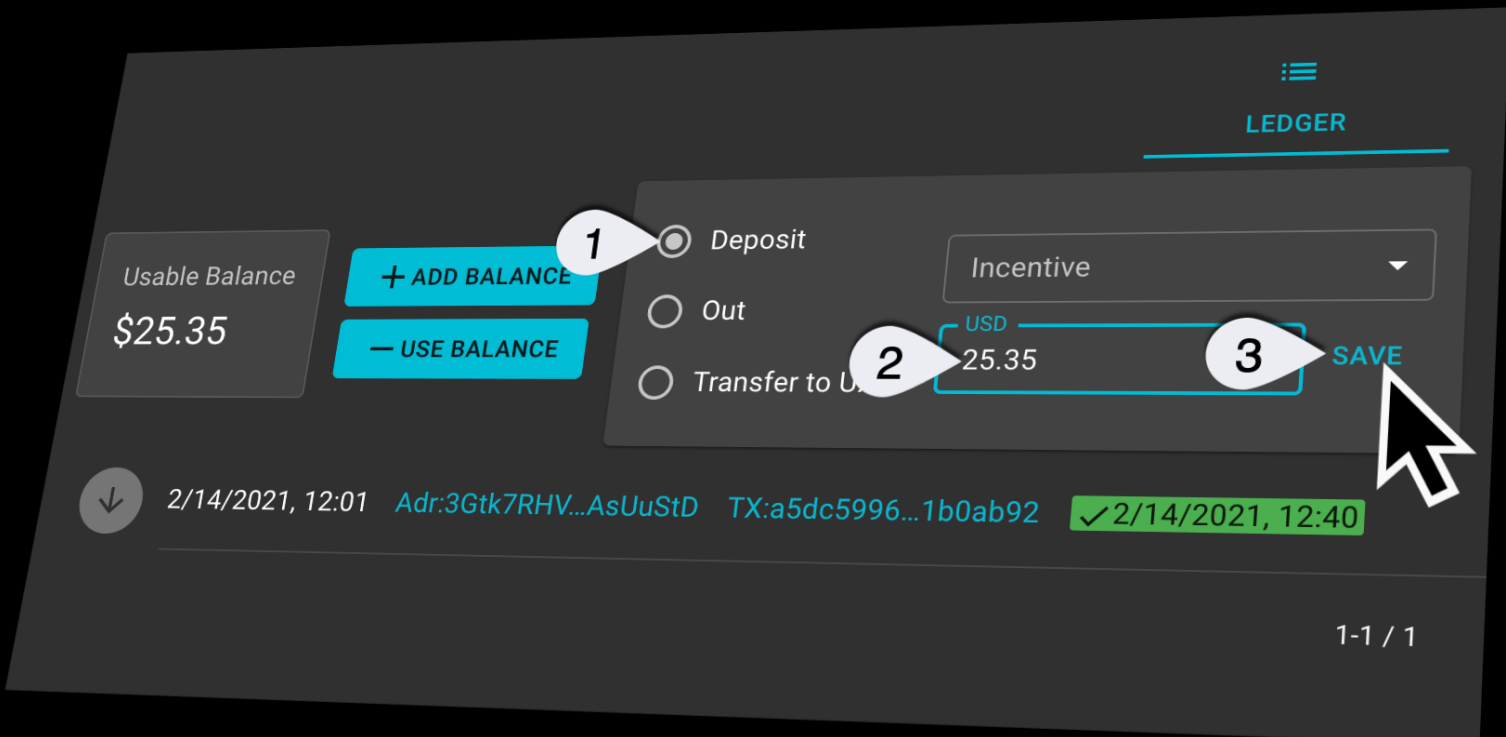

Please allow "4 Confirmations" on the Blockchain before you see the money in your account.

How To Use Balance For Deposit

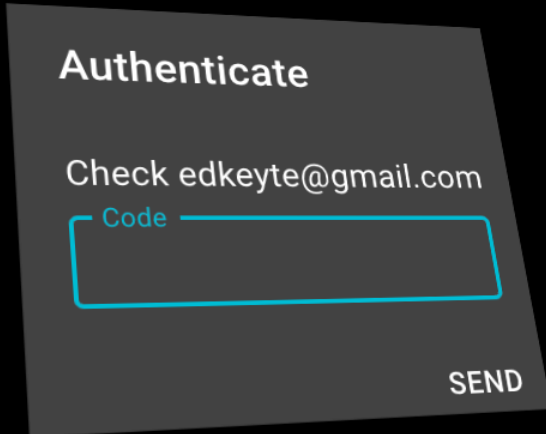

Congratulations! As soon as your funds are in your account you will now see them in your "Usable Balance" But! You need to add them into a deposit first before you can start earning from them.

Click: " USE BALANCE " now, then make sure "Deposit" is selected, you should already see the amount in USD added to the box if not; enter the amount there. Then Click "SAVE".

How To Use Balance For Deposit

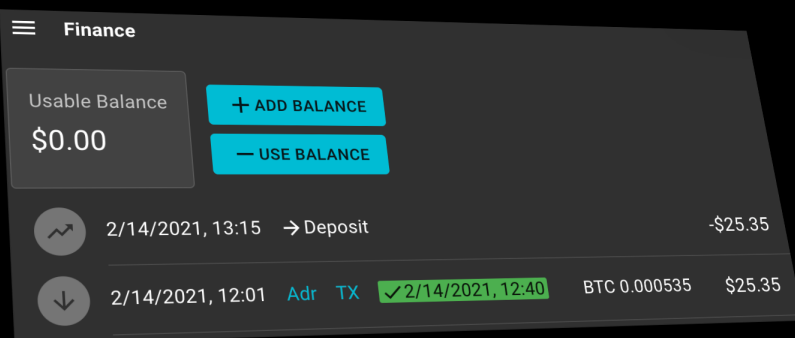

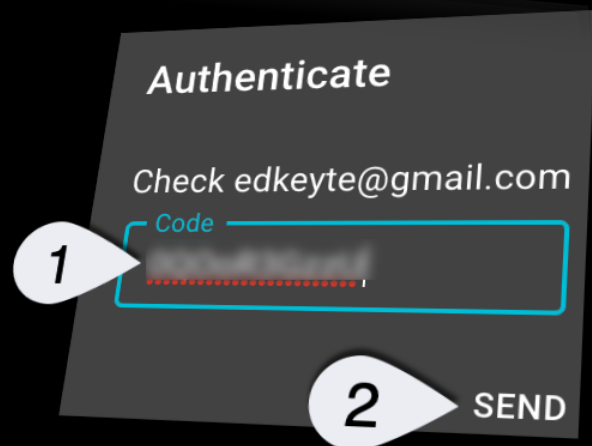

Check your email for the "Code" and enter it in the box.

Your will be sent to your email:

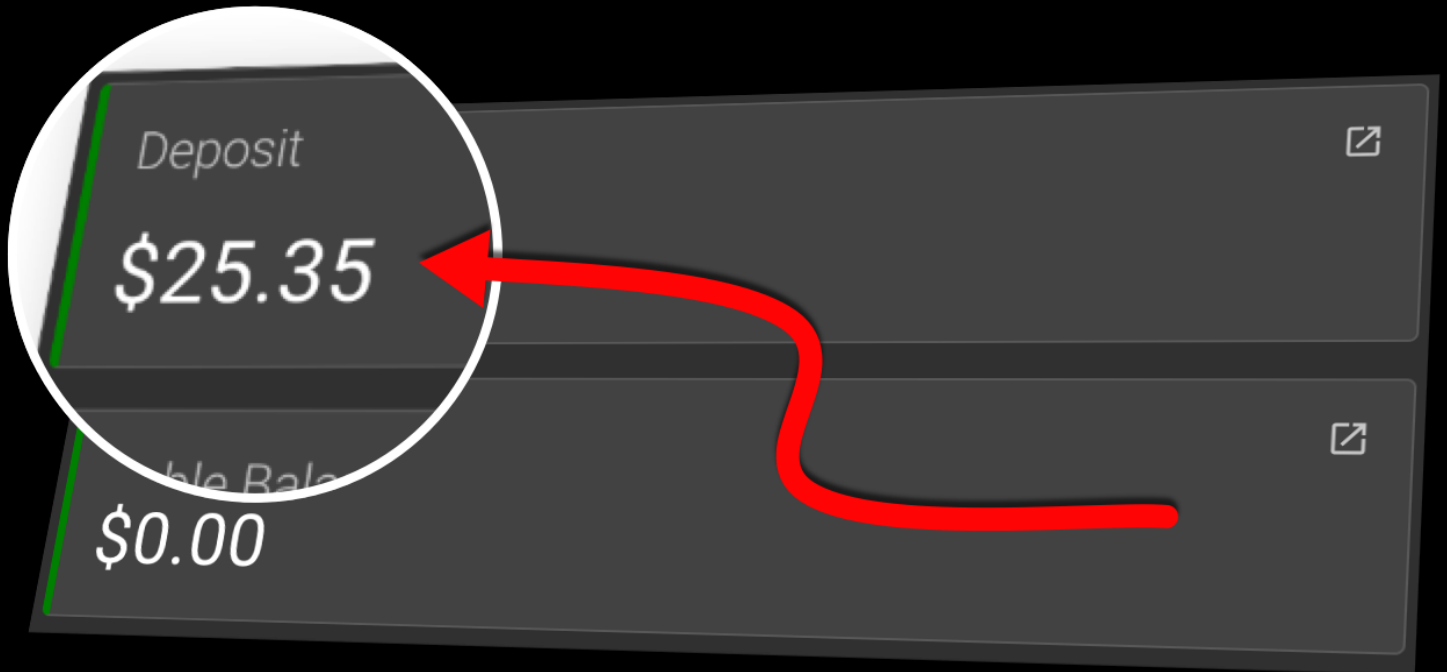

Enter the code from the email and hit "SEND"

Congratulations! Your Balance is in your account and will start to work for you on the next trading day 4 days a week!

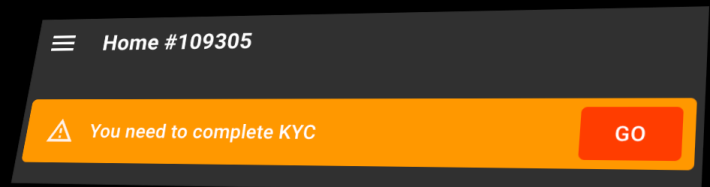

Auto Re-Deposit Settings

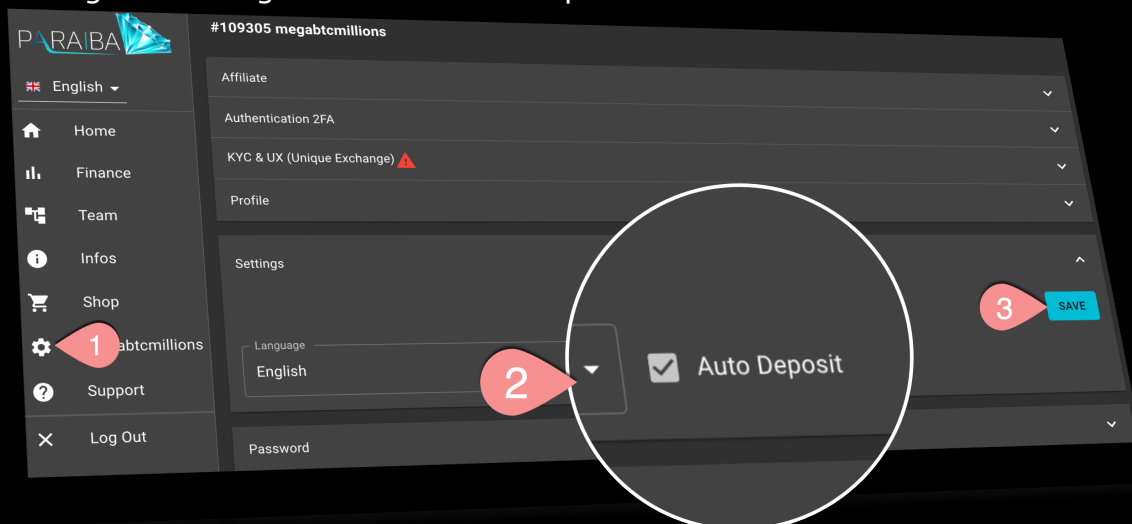

If you click to your Dashboard, you will see your "Deposit" in your account.

Now all that is left for you is to do KYC.

Next go to "Settings" to set the "Auto Deposit" to "ON":

CONGRATULATIONS!

Well Done! You're now earning a passive automated income that will get paid into your Paraiba account 4 days a week from Wednesday to Saturday.
